We are happy to welcome you again at the Paris Artistic Swimming FINA World Series. Please respect January 09th, 2022 pre-entry form dead line, for us to know the number of athletes, staff members and officials. We really need that information to organize the event in the best conditions.

From January 2022, we will provide you with bulletin n°2 with the provisional program and all the essential elements. The final entries (deadline of February 15, 2022) will be made by the GMS FINA for the national teams and by a link for the clubs which will be provided to you later. The COVID precisions will also be given to you according to the French regulations in force and the evolution of the health situation.

With our thanks for your precious collaboration for the good success of this ASWS FINA FRENCH OPEN 2022.
